

The Maywood

A Home Perfected by Denim Homes

The Maywood

With a lovely facade and an efficient interior, this home will add charm to any neighborhood. The sheltered foyer opens directly to the spacious great room, where a warming fireplace is braced by radius windows. The galley kitchen offers an angled sink that overlooks the great room and the dining room--perfect for the chef who likes to socialize. A French door leads outdoors from the dining room. Three family bedrooms share a hall bath and a linen closet. The master suite is complete with a lavish vaulted bath, a tray ceiling and a walk-in closet. Please specify basement or crawlspace foundation when ordering.
